Arizona Corporation Commission

DOCKETED

JUN 26 2001

DOCKETED BY	
-------------	---

This Memorandum to the Docket will certify that compliance, as described below, has been met for the referenced utility.

UTILITY: Francesca Water Company, Inc.

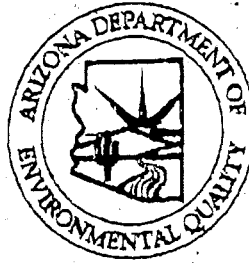

DOCKET NO. W-02838A-00-0684 **DECISION NO.** 63660
ET. AL.

COMPLIANCE ACTION:

Application to extend its Certificate of Convenience and Necessity to provide water service to the area described in Exhibit A to the Commission's Decision is granted, conditioned on the Company providing documentation from the ADEQ that the monitoring deficiencies on the Talaway system have been resolved and that the Talaway system is providing water that meets the quality standards of the Safe Drinking Water Act within 60 days of the effective date of the Commission's Decision. The authorization for the extension will be considered null and void without further order of the Commission in the event the Company fails to meet this condition within the time specified.

Based on data submitted by the water system, ADEQ has determined that this system is currently delivering water that meets water quality standards required by Arizona Administrative Code, Title 18, Chapter 4. This compliance status report does not guarantee the water quality for this system in the future. This compliance status report does not reflect the status of any other water system owned by this utility company.
